

3rd INTERNATIONAL ORTHODONTIC WORKSHOP

October 21 – 22, 2022 | Dubrovnik | Croatia

Welcome to Dubrovnik

The beautiful Adriatic coast welcomes you! On behalf of Dentaureum we are very pleased and honored to welcome you to our "3rd Orthodontic Workshop", located in Dubrovnik, Croatia.

Dive into the digital orthodontic world and get hands-on practice on tomas[®] pin and SUS³ applications. The Orthodontic Workshop will be an interesting mixture of research and practice. Renowned and experienced speakers will give detailed lectures on orthodontic topics.

The UNESCO World Heritage Site on the Adriatic coast – Dubrovnik, is just a 2-hour flight time away from all major European airports. It set the stage for famous Hollywood film productions such as Game of Thrones, Star Wars, and James Bond.

Overall, delve into the authentic Mediterranean ambience and experience the field of orthodontics at its best!

We extend our warmest welcome to everyone participating in our Orthodontic Workshop.

Claudia Stöhrle

Managing director

Mark Stephen Pace

Bettina Graf

Director Global Sales

Meet the experts

Profit from interesting lectures by renowned speakers.
Secure yourself a place now and benefit immediately
in your daily routine from the techniques you learn.

DR. SEBASTIAN BAUMGARTEL

is a Clinical Associate Professor at Case Western Reserve University in Cleveland, OH. Dr. Baumgartel also maintains an active private practice in the Cleveland area. In addition, he is visiting Professor at the University of Melbourne, Australia.

SIMON GRAF

is a pioneer in CAD/CAM planned and 3D metal printed orthodontic appliances in Belp, Switzerland. As printable materials are evolving, he is now working on direct printed aligners and removable appliances, with the goal to simplify the patients' and orthodontists' life.

DR. TREVOR HODGE

is a Consultant Orthodontist at the Dental Institute in Leeds, United Kingdom. Prior to this he was an undergraduate at the University of Bristol and completed his specialist training at the University of Birmingham and the Eastman Dental Institute. He is a certified European Board Orthodontist and is active in private practice.

PROF. DR. MICHAEL WOLF

is Director and Chair at the Department of Orthodontics at the University of Aachen, Germany. The regulation of tooth movement, stability and retention with special focus on periodontal immunology and tissue remodeling following tooth movement are his scientific interests.

DR. MED. DENT. BASSEL ABOU JAMRA

is an established specialist for orthodontics in the Dr. Jamra | Dr. Sabbagh orthodontic joint practice in Nuremberg. Its main specialties lie in the principles of functional anterior displacement of the mandible and dentoalveolar and skeletal effects of class II treatment.

Sun Gardens Dubrovnik

The beautiful Adriatic coast welcomes you!

Sun Gardens Dubrovnik is a fully integrated, 22-hectare destination resort on the beautiful Adriatic Coast. The resort is located only 11 km from Dubrovnik city center, in the small village of Orašac.

The five-star hotel facilities include a world-class spa, sports center, a variety of restaurants and bars featuring local and international cuisine, pools, and natural pebble beach. The resort layout replicates the ambiance of a traditional Mediterranean village, set amid mature gardens with panoramic views of the Adriatic and Elaphite islands just off the coast of the mainland.

Sun Gardens Dubrovnik

DETAILS

Alteration / Cancellation

DENTAURUM is entitled to cancel an event if an important reason exists, e.g. insufficient number of participants, non-availability of the speaker, technical problems or in the case of unforeseeable circumstances or circumstances that are unavoidable despite taking due care and which do not fall in the risk sphere of one party ("force majeure"). In such a case, DENTAURUM will inform the participants of the cancellation immediately.

DENTAURUM is not obliged to offer participants an alternative date for the event. Should the event be canceled at the latest 14 days before the planned date, claims beyond reimbursement of the participation fee are excluded (in particular, for example, reimbursement of travel and accommodation costs). In deviation of this, DENTAURUM is also only obliged to reimburse participation fees that have already been paid if the event is canceled at shorter notice because of reasons pertaining to "force majeure".

Images, video and audio recordings

During events, no recording of images, videos or audios whatsoever or publication of such recordings is permitted in view of conflicting rights (e.g. in particular, privacy rights of participants and copyrights to course contents), which explicitly includes the posting of such recordings on social networks and so-called live-streaming.

Payment:

Payment of the participation fee is due upon receipt of the binding confirmation of registration. Fees do not include charges and are payable within 14 days of receipt of an invoice without deduction to the DENTAURUM account listed, unless otherwise stated in the confirmation of registration. The date of receipt of the payment (credit) determines whether payment was effected in a timely manner.

Memo: IOW Dubrovnik, October 2022 – your full name

DETAILS

Certificate of attendance:

A certificate of attendance will be issued upon successful completion of the program.

Program changes:

Should it become necessary to change the date of the event, DENTAURUM will immediately inform the participants of this, stating the new date. Existing registrations remain valid. Should a participant not be able to attend on the new date, course fees already paid will be reimbursed. DENTAURUM is not obliged to offer participants an alternative date for the event. DENTAURUM is not liable for the reimbursement of further costs.

Liability:

Participants take part in the event at their own risk. Instructions by Dentaurum staff responsible for event organization or an appointed third party at the event location shall be followed unconditionally.

For further information on our conditions of participation and payment, please refer to:

Opening hours for registration at venue:

You can register at the entrance to the Soderini Grand Ballroom as follows:

Friday, October 21, 2022: 8:00

Saturday, October 22, 2022: 8:30

How to get there:

By plane to Dubrovnik:

Direct flights from German cities such as Frankfurt am Main, Düsseldorf, Munich, Stuttgart and Cologne/Bonn are available, as are flights from international metropolises such as Vienna, Zurich, London and Istanbul.

Once you have landed in Dubrovnik:

The 5-star Sun Gardens Dubrovnik hotel is situated on the coast, 32 km from Dubrovnik International Airport (DBV). The fastest route from the airport to Sun Gardens is by shuttle. This costs 11.00 € (+VAT) – 14.00 € (+VAT) and takes 29 minutes.
